Statement	Agree? Disagree? Why?	Statement	Agree? Disagree? Why?
1. Most posts on Instagram aren't really true. People choose to post what they think will get the most likes or comments.		4. Building real relationships with people is much easier face-to-face. Those relationships are stronger and last longer.	
2. Posting on social media allows me to connect with people who have the same interests I do.		5. Without social media, people wouldn't be able to post new and creative things as easily. Artists have an outlet for their work because of social media.	
3. If you're having a bad day, social media makes it worse. You scroll through and see how great everyone else's life seems. It's depressing.		6. Social media isn't really about connecting with other people; it's just about showing off who you want people to think you are.
